Allstars Air Hockey is a brand-new sports game for the adult, FEC, and sports bar market. It aims to provide socially competitive entertainment that elegantly fits into any location.

- Immersive and visually appealing gameplay: Sega All Stars Air Hockey creates an immersive atmosphere with its dynamic playfield and vivid animated lighting. The edge lighting adds to the visual appeal, making the gameplay visually captivating for players.
- Celebratory audio and lighting effects: Each exhilarating goal scored in All Stars Air Hockey is accompanied by audio and lighting effects that enhance the excitement of the game. These effects not only celebrate the accomplishment of the scoring player but also inspire the losing player to seek a rematch and rise to the challenge.
- A sporty design resembling an ice hockey arena: Inspired by classic ice hockey arenas, the All Stars Air Hockey table design creates a sporty theme and captivating ambiance. The table's design pays homage to the thrilling atmosphere of ice hockey, enhancing the experience for all participants.
